

## Product

- 2** glas facades and the Vision 3000 product
- 3** Timber components
- 4** Aluminium components
- 5** Handles, restrictors and hinges
- 6** Trickle vents
- 7** Minimum and maximum sizes
- 8** Frame type options
- 9** Component details
- 10** Specification

## Environmental

- 11** BFRC energy rating
- 12** Sustainability
- 13** PEFC Sustainable timber

## Performance

- 14** Air permeability
- 15** Watertightness
- 16** Resistance to wind load
- 17** Operating forces
- 18** Security
- 19** Thermal Insulation
- 20** Acoustic Insulation

## Gallery

- 21** Project photo gallery
- 22** The factory

## Guarantees

- 23** Limited Warranty
